Your Duty of Disclosure

You must comply with Your duty of disclosure when You apply for insurance with Us and each time You renew or alter Your cover.

You have a duty of disclosure to tell Us everything You know or should know, that is relevant to Our decision to insure anyone under the Policy, including You, and on what terms.

It includes matters We specifically ask about when You apply for a policy, or renew or alter Your policy, and any other matters which might affect whether We insure You and on what terms.

The information You tell Us can affect:

- the amount of Your premium and Your Excess
- if We will insure You
- if special conditions will apply to Your Policy.

You do not need to tell Us of anything which:

- reduces the chances of You making a claim
- We should know about because of the business We are in or
- We tell You We do not want to know.

If You are unsure it is better to tell Us. If You do not tell Us something which You know or should know is relevant, We might reduce a claim, refuse to pay a claim, cancel Your Policy or, if fraud is involved We can treat the Policy as if it had never existed.

Non-Disclosure

The duty of disclosure applies to every person or organisation insured under the Policy. If You fail to comply with Your duty of disclosure We may be entitled to reduce Our liability under the contract in respect of a claim or may cancel the contract. If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

After the Policy is entered into, ongoing disclosure obligations also apply. See the General Conditions Section for details.

Cooling off Period

There is a 21 day cooling off period.

If You are not completely satisfied with Your Policy, You can cancel it from its inception date by contacting Your insurance broker or Longitude in writing within 21 days of its date of issue.

We will refund Your premium less any non-refundable government charges, taxes and levies that We have paid.

You cannot exercise this right if You are entitled to or have made a claim for any incident within the 21 day period.

Even after this cooling off period ends You still have cancellation rights. See the General Conditions Section for details.

Full Insurance – Protect Your Assets

If You have elected to insure Your building and contents for reinstatement and replacement costs, the Sum Insured should represent the full replacement value on a new for old basis and if this is not done You may not be covered for Your loss in full.

It is Your responsibility to ensure the adequacy of Sums Insured and You should reevaluate these Sums Insured during the currency of the Policy and prior to renewal each year.

About Your Premium

The premium is the amount You pay Us for this insurance. The premium payable by You will be shown on Your Policy Schedule. Premiums are subject to applicable Commonwealth and state taxes and charges. These include GST and stamp duty. The amount of these taxes and charges will be shown on Your Policy Schedule.

If You change Your Policy You may be entitled to a partial refund of premium or be required to pay an additional premium.

There are a number of significant factors which impact generally on Your premium.

These are:

- a) Sum Insured: The lower the Sum Insured, the lower the premium,
- b) Postcode: Some postcodes pose a higher risk than others based on our data,
- c) The cover You choose: If You chose a number of Policy Sections and add options to Your Policy, the premium will be higher,
- d) Claims experience: If You have had claims in the past, this may increase Your premium,
- e) Excess: A higher excess amount may reduce Your premium,
- f) Our cost of doing business including payments We make to intermediaries: If Our costs are higher this may make Your premium higher,
- g) Building materials: If Your building is made up of more fire resistant materials (concrete), the premium will be lower,
- h) Fire protection: If You have a functional, compliant sprinkler system, the premium will be lower,
- i) Security: If You have a good security system, the premium will be lower,
- j) Management: How Your property is managed and maintained in accordance with statutory obligations and good business practices will affect Your premium, and
- k) Loyalty discounts or bonuses: You may be entitled to loyalty premium discounts or other policy benefits, which may lower Your premium, based on Your claims free history, and loyalty to Longitude or the Suncorp group of companies.

At times We may offer premium discounts to particular customers as part of a promotion or to take account of market conditions. The amount and type of discounts offered can change at any time before You take out this Policy, or at Your next renewal.

Each time You renew Your insurance Your premium is likely to change, even if Your personal or business circumstances have not changed.

This is because premiums are affected by:

- a) the cost of claims We have paid to other customers,
- b) the cost of claims We expect to pay in the future,
- c) any changes in government taxes or charges, and
- d) Our expense of doing business.

At renewal, We might decide to pass on all, or part of, any premium increase or decrease.

Excess

If You make a claim, You may be required to pay one or more Excesses. The description of these Excesses and the circumstances in which they are applied are set out in this PDS.

The amount of Excess applying to each Section is shown on Your Policy Schedule.

We take into consideration a number of factors when setting the amount of Your Excess, such as:

- a) any voluntary Excess that We may allow You to choose,
- b) Your claims history,
- c) Loyalty discounts or bonuses: You are entitled to loyalty premium discounts or other policy benefits, which may lower Your premium, based on Your claims free history, and loyalty to Longitude or the Suncorp group of companies, and
- d) any additional risk factors that are unusual or unique to Your business circumstances.

If more than one Excess is payable under this Policy for any claim or series of claims arising from the one Event or occurrence, the Excesses will not be aggregated and the highest single level of Excess only will apply, except in some circumstances We may apply a per Lot Special, Imposed, Risk or Peril Excess to a defined or nominated Event.

If We apply a per Lot Special, Imposed, Risk or Peril Excess, it will be specified in Your Policy Schedule. Any Special, Imposed, Risk or Peril Excess may apply in the aggregate to each Lot or Lot Owner.

We may also apply a Contribution in addition to an Excess. If We do this it will be specified in Your Policy Schedule. A Contribution is Your contributable share of the cost or loss associated with Your claim in a Section or from a benefit that is payable by You.

Preventing Our Rights of Recovery

If You have agreed not to seek compensation from another person or entity who is liable to compensate You for any loss, damage or liability which is covered by this Policy We will not cover You under this Policy for that loss, damage or liability, except in the following circumstances:

We will waive any rights and remedies or relief to which We are or may become entitled by subrogation against:

- any co-insured (including its directors, officers and employees);
- any corporation or entity (including its directors, officers and employees) owned or controlled by any insured or against any co-owner of the property insured.

You may without prejudicing Your position under this Policy:

- release any statutory governmental, semi- governmental or municipal authority from any liability if required by any contract to do so;
- agree to enter into a contract for storage of goods or merchandise if the terms of the contract include a disclaimer clause;
- agree to enter into a lease for occupancy of any building or part of a building or a lease or hiring of property where the terms of the lease or hiring include a disclaimer clause in favour of the lessor or the owner.

Financial Claims Scheme

This Policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer, to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA at www.apra.gov.au or by calling 1300 13 10 60.

Our Agreement

When We agree to insure You We issue a Policy Schedule confirming cover.

The information contained in the Policy Schedule sets out information specific to You such as the cover We have agreed to provide and the Sums Insured and Limits of Liability that apply to Your Policy.

Your Policy with Us will comprise this PDS, the Policy Schedule and any endorsements We issue. They should be read together and kept in a safe place.

Where We have agreed to enter into a Policy with You and subject to the terms, conditions and exclusions of the Policy:

- We agree to provide You with the insurance cover set out in each of the Policy Sections which are listed in the Policy Schedule, subject to Your payment of or agreement to pay Us the premium set out in the current Policy Schedule,
- the Policy is in force for the Period of Insurance set out in the Policy Schedule,
- We will cover You for the relevant insured loss, damage, liability or claim happening during that Period of Insurance, and
- We will not pay any more than the Sum Insured or Limit of Liability for each Section which is shown in the Policy Schedule or as provided in the Policy Wording, subject to any Excesses or Contribution.

Claims Made and Notified Basis of Cover

Policy Sections 3 and 7B and 7C of this Policy are issued on a 'claims made and notified' basis. This means that Section 3 responds to:

- a) claims first made against You during the Period of Insurance and notified to Us during the Period of Insurance (or within 30 days after the Period of Insurance has expired), provided that You were not aware at any time prior to the Policy inception of circumstances which would have put a reasonable person in Your position on notice that a claim may be made against You; and
- b) written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984. The facts that You may decide to notify are those which might give rise to a claim against You. Such notification must be given as soon as reasonably practicable after You become aware of the facts and prior to the time at which the Policy expires. If You give written notification of facts the Policy will respond even though a claim arising from those facts is made against You after the Policy has expired.

When the Period of Insurance expires, no new notification of claims or facts can be made on Policy Sections 3 and 7B and 7C even though the event giving rise to the claim against You may have occurred during the Period of Insurance.

How the Goods and Services Tax (GST) Affects This Insurance

You must inform Us of the extent to which You are entitled to an input tax credit for that GST amount each time that You make a claim under this Policy. No payment will be made to You for any GST liability that You may have on the settlement of a claim if You do not inform Us of Your entitlement or correct entitlement to an input tax credit.

GST has an impact on the way in which claim payments are calculated under Your policy. We will calculate the amount of any payment We make to You having regard to Your GST status.

In respect of claims for Business Interruption the liability will be calculated taking into account the GST exclusive amount of any supply made by the Insured's business which is relevant to the Insured's claim.

In all other circumstances our liability to You will be calculated taking into account any input tax credit to which You are entitled for any acquisition which is relevant to Your claim, or which You would have been entitled were You to have made a relevant acquisition.

If the Sum Insured or Policy limit is not sufficient to cover the Insured's loss, the Insurer will only pay GST (less any relevant input tax credit) that relates to the Insurer's proportion of the Insured's loss. The Insurer will pay the GST amount in addition to the Sum Insured or Policy limit.

This outline of the effect of the GST on Your policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to Your particular circumstances.

At Our option, We will settle claims under this Optional Benefit directly with the You or any Lot Owner.

8. Basis of settlement of claims

Unless otherwise shown in the Policy Schedule, claims will be settled on the basis of Reinstatement or Replacement and Extra Costs, as follows.

8.1 Reinstatement or Replacement

Means:

- a) where Your Insured Property is lost or destroyed, in the case of Buildings, the rebuilding of it, or in the case of Insured Property other than Buildings, the replacement of it, by similar property, in either case in a condition equal to but not better or more extensive than its condition when new.
- b) where Your Insured Property is damaged, the repair of the damage and the restoration of the damaged portion of Your Insured Property to a condition substantially the same as but not better or more extensive than its condition when new.

Claims for the cost of reinstating or replacing Your Insured Property lost, destroyed or damaged are subject to the following provisions:

- i) the work of rebuilding, or replacement, or repairing as the case may be (which may be carried out upon another site and in any manner suitable to Your requirements but subject to Our liability not being increased), must be commenced and carried out with reasonable dispatch, failing which We will effect settlement on an indemnity basis.
- ii) when any property to which this clause applies is damaged or destroyed in part only, We will not pay more than the Sum Insured.
- iii) We will not pay more than the indemnity value until a sum equal to the cost of reinstatement has actually been incurred.
- iv) with Our prior consent, You will not be bound to rebuild any Buildings destroyed but may purchase alternative Buildings to replace those destroyed. This replacement will be deemed to constitute reinstatement for the purpose of this insurance but We will not under any circumstances be liable to make any payment beyond the actual cost of rebuilding the building destroyed.

8.2 Extra Cost

We will also pay the extra cost of reinstatement including demolition or dismantling of Your Insured Property necessarily incurred to comply with the requirements, operative at the time of reinstatement, of:

- a) any Act of Parliament or regulation made under it, or
- b) any by-law or regulation of any municipal or other statutory authority,

provided in either case that:

- i) the work of reinstatement (which may be carried out wholly or partially upon another site if the Act, by-law or regulation so necessitates and subject to Our liability not being increased) must be commenced and carried out with reasonable dispatch, failing which We will not be liable to make any payment beyond the amount which would have been payable under this Policy Section if this clause had not been incorporated, and
- ii) the amount recoverable will not include the additional cost incurred in complying with any Act, by-law or regulation which You had been required to comply with prior to the happening of the damage.

8.3 Earthquake

You have to pay or contribute the greater of the Standard Excess specified in Your Policy Schedule or the first \$200 in respect of loss, destruction or damage caused by or arising from earthquake, subterranean fire or volcanic eruption occurring during any one period of forty eight hours (48) consecutive hours.

8.4 Undamaged Foundations

When Your Insured Property is lost destroyed or damaged and, due to the exercising of statutory powers or delegated legislation or authority by any government department, local government or other statutory authority, reinstatement of Your Insured Property is carried out upon another site or sites, We will pay for the value of any undamaged part of Your Insured Property, including foundations and footings, as if it had been destroyed. If the presence of the undamaged parts increases the sale value of the original site, then the increase will be regarded as salvage and will be payable to Us under the Policy.

All differences relating to the amount of any increase in site value will be referred to the decision of two registered valuers, one to be appointed by each of the parties to the Policy. If the two valuers fail to agree, their differences will be referred to the decision of a third valuer, appointed by the president of the Australian Institute of Valuers as an expert, whose decision will be binding.

8.5 Floor Space Ratio Index (Plot Ratio)

Where Buildings are damaged and reinstatement of the damage is limited or restricted by:

- a) any Act of Parliament or regulation under it, or
- b) any by-law or regulation of any municipal or other statutory authority.

resulting in either case in the reduction of the floor space ratio index (plot ratio) of the site, then We will pay in addition to any amount payable on reinstatement of the Buildings the difference between:

- i) the actual costs incurred in reinstatement subject to the reduced floor space ratio index (plot ratio); and
- ii) the estimated cost of reinstatement at the time of damage had the reduced floor space ratio index (plot ratio) not applied.

8.6 Replacement with similar property

Where the architectural features and structural materials of the Buildings possess a particularly ornamental, antiquarian or historical character, or the materials used in its construction are not readily available, it is agreed that for the purposes of proviso (iii) in the Reinstatement or Replacement clause 8.1, the cost of reinstatement will be the cost of reinstating or replacing similar buildings of current design and materials and of reasonably equivalent utility and capacity.

9. Conditions applying to this Section

9.1 Automatic Reinstatement of Sum Insured

If We admit liability for a claim (other than a total loss) under this Section, We will reinstate the Sum Insured to the amount shown in Your Policy Schedule at the time of the loss, destruction or damage.

For all claims for less than 5% of the Sum Insured, We will reinstate each Sum Insured for each claim.

For any claims for more than 5% of the Sum Insured, We will reinstate the Sum Insured once only during each Period of Insurance. Any further requests for reinstatement or any other reinstatement, You must pay any additional premium that applies.

9.2 Claims Preparation Fees

We will pay up to \$50,000 or any higher amount shown in the Policy Schedule for professional fees and other expenses for preparation of claims that You reasonably and necessarily incur with Our consent and which are not otherwise recoverable under this Policy.

10. Claims Examples

The following examples are designed to illustrate how a claim payment might typically be calculated. The examples do not cover all scenarios or all benefits and do not form part of Your Policy terms and conditions. They are a guide only.

Example 1

Your Building has a Sum Insured of \$650,000. You are not registered for GST. Your basic Excess is \$250. There is a fire that starts from a heater in one of the units. The fire destroys the building and We assess that it is a total loss. We assess the cost to rebuild is \$750,000 including GST.

Your Sum Insured is not enough to cover the cost to rebuild. Accordingly We will settle up to the Building Sum Insured.

How much We pay:

Building Sum Insured:	= \$650,000
GST:	= \$65,000
Less Excess:	= \$250
Total claim:	= \$714,750

Please note that any Additional Benefits "B" You are entitled to will be covered in addition to the Building Sum Insured, and any Additional Benefits "C" will be covered where applicable.

Example 2

Your Building has a Sum Insured of \$800,000. You are registered for GST.

A leaking pipe in the Building causes damage to the ceiling in one of the units. We assess repairing the damage to the ceiling will cost \$4,400 including GST. The cost to repair the leaking pipe is \$440 including GST.

Your basic Excess is \$250.

How much We pay:

Cost of ceiling repairs including GST:	= \$4,400
GST:	= \$400
Cost of ceiling repairs less GST:	= \$4,000
Cost to repair the pipes including GST:	= \$440
GST:	= \$40
Cost to repair the pipes less GST:	= \$400
Cost of ceiling repairs less GST:	= \$4,000
Cost to repair the pipes less GST:	= \$400
Less Excess:	= \$250
Total claim:	= \$4,150

Please note that if You are entitled to any Additional Benefits "A" they will be covered within the Building Sum Insured, any Additional Benefits "B" will be covered in addition to the Building Sum Insured, and Additional Benefits "C" will be covered where applicable.

Example 3

Your Building has a Sum Insured of \$1,000,000. You are registered for GST.

A Tropical Cyclone damages Your Building. The cost to repair is \$550,000 including GST. The Building has 10 Lots, and five Lots are damaged.

Your Policy has a Peril Excess of \$1,000, which applies in the aggregate to each Lot in the Building, regardless of the number of Lots damaged. As the number of Lots in the Building is 10, a \$10,000 Peril Excess aggregated for all Lots applies.

How much We pay:

Cost of damage including GST:	= \$550,000
GST:	= \$50,000
Cost of damage less GST:	= \$500,000
Peril Excess:	10 Lots x \$1,000 = \$10,000
Total claim:	= \$490,000

Please note that if You are entitled to any Additional Benefits "A" they will be covered within the Building Sum Insured, any Additional Benefits "B" will be covered in addition to the Building Sum Insured, and Additional Benefits "C" will be covered where applicable.

6. Excess applying to Cover C

6.1 Excess

We will reduce the amount We pay for each claim by the amount of the Excess shown in the Policy Schedule.

6.2 Contribution

In addition to the Excess applicable to Cover C of this Policy Section, You are also required to pay a Contribution.

The following are examples of how Contribution may affect Your cover under this Policy Section.

Claim example 1

First loss in any Period of Insurance	
Limit of Liability	\$50,000
Excess	\$5,000
Contribution percentage	20%
Legal Expenses incurred	\$60,000
Legal Expenses net of Excess is	\$55,000
(\$60,000 less \$5,000 Excess).	

Your Contribution is \$11,000 (20% of \$55,000).

Our payment is \$44,000 (\$55,000 less \$11,000).

Therefore, the balance of the Limit of Liability is \$6,000 for subsequent Legal Expenses in the same Period of Insurance.

Claim example 2

First loss in any Period of Insurance	
Limit of Liability	\$50,000
Excess	\$5,000
Contribution percentage	25%
Legal Expenses incurred	\$75,000
Legal Expenses net of Excess is	\$70,000
(\$75,000 less \$5,000 Excess).	

Your Contribution is \$17,500 (25% of \$70,000).

Our payment is \$50,000 (\$70,000 less \$17,500 but subject to the Limit of Liability of \$50,000).

Therefore, the Limit of Liability is exhausted and You have no cover available for Legal Expenses in connection with any subsequent Claims made or brought against You in the same Period of Insurance.

7. Special condition to Cover C

7.1 Appeal Procedure

If You are dissatisfied with any decision made by a court or tribunal and wish to appeal against that decision You must advise Us in writing of Your intention to appeal at least five (5) clear business days prior to the expiry of the time for instituting an appeal or as soon as practicable if the time allowed by law to appeal is less than five (5) clear business days. You must obtain Our written consent to the appeal.

If We are dissatisfied with any decision made by a court of tribunal and wish to appeal that decision You must reasonably co-operate with Us in the bringing of such an appeal.
